TCCA APPROVAL CERTIFICATE

Pursuant to CAR 573.11(1)(b) and subject to the conditions specified below, Transport Canada Civil Aviation hereby certifies Approved Maintenance organization:

Meggitt SA, t/a Meggitt Sensing Systems
CH.145.0251
Route de Moncor 4, Villars-Sur-Glâne

as a TCCA approved organization for the maintenance of aircraft and / or aircraft components, as appropriate, under the regulatory control of TCCA and the issue of related certificates of release/return to service using the above TCCA approval number:

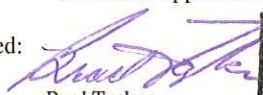

CONDITIONS:

1. The scope of approval is limited to that specified on the NAA/EASA part-145 Approval Certificate, and the associated limitation documents for the work carried out in a country, which is a member state of the EASA (unless otherwise agreed in a particular case by TCCA).
2. This approval requires continued compliance with Part-145 and Canadian supplementary conditions, including the use of EASA Form-1.
3. Certificates of release/return to service must quote the TCCA Approval Certificate Number quoted above and the EASA Reference Number.
4. Valid until the current Administrative Arrangement on Maintenance between TCCA and EASA is superseded by the Agreement on Civil Aviation Safety between The Government of Canada and The European Community or the expiry date, which ever occurs first.
5. Subject to compliance with the foregoing conditions and the payment of the required fee, this approval shall remain in force until:

Expiry date: 2012-03-01

Unless the approval has been surrendered, superseded, suspended or revoked.
